Homes Threatened by San Carlos Fire

A 30-acre blaze that raged out of control for several hours, swept over a hillside west of San Carlos, endangering many expensive homes along Hillview Rd., yesterday afternoon. Smoke billowed more than a hundred feet into the air and could be seen by the thousands of motorists driving along Bayshore Hwy. and El Camino Real. (Tribune photo)

'Hams' Organize County Radio Club

Over 50 persons attended the last meeting of the recently organized San Mateo County Amateur Radio Club, encouraging local hams to aim for membership of 100 by the end of the Summer, according to Milton Smith of the club.

At the meeting, Bob Leo, W6PVB, was elected as treasurer and Dr. Morgan, W1HDA, gave a talk on sky wave transmissions and the secant law, as applied to frequency-distance computations.

Future plans call for a hidden transmitter hunt to be held some time in August. The next meeting of the club will be held July 24 at 7:30 p.m. in the new building of the San Mateo Junior College, at Peninsula and Delaware Sts., San Mateo.

Werder Warns On Incinerators

County Fire Warden Bert L. Werder warned Tuesday his department is cracking down on persons who build fires without permits and on those who use unlicensed incinerators.

At the same time, Fire Chief Lyle Clark of San Carlos announced a similar crackdown.

The warnings were precipitated by a 30-acre grass fire in the hills just outside the city limits of San Carlos Sunday afternoon and endangered several homes. The fire started from sparks from a home-made incinerator.

Werder said his department was making a house-to-house check in the residential unincorporated areas to determine the methods of garbage disposal by fire and a check on incinerators.

Sequoia Yachts Visit Palo Alto

Sequoia Yacht Club literally "moved to Palo Alto" over the week-end, when the Palo Alto Yacht Club was host to all clubs at its annual harbor day festivities.

Boats visiting Palo Alto harbor from Redwood Citly were the Leilani, Lillis, Briny Marlin, Sampan, Lela S, Sea Dragon, Marquita, Panda, Belle Hal P, Lil Bear, Diema and Elmac I. Some sailed back to their home port on Sunday afternoon and others remained over until next weekend for the return trip.

A dance was held on Saturday evening for the visitors and on Sunday following the yacht races luncheon was served by members of the Palo Alto Auxiliary.

Over 40 members of the Sequoia Yacht Club attended the two-day event.

Chicken Ban Voted Again By Council

City councilmen moved Monday to ban the keeping of chickens, rabbits, horses cows, etc., in first residentia areas . . . sometime within the next generation of humans.

City Atty. Paul A. McCarthy brought the matter up He said that several months ago he had been instructed to prepare an ordinance which would permit chicken raising in the first residential area. He had been ordered to prepare an ordinance, he said, repealing another ordinance which prohibited such practices.

Councilman C. C. Armstrong again took a stand against such animals in the first residential zone and was joined by Councilman W. M. (Bill) Werder. Councilman Carl (Ike) Britschgi said he would join Werder and Armstrong if he was assured the ban would be enforced.

Armstrong moved that the ordinance McCarthy had prepared be dropped from the agenda and that present bans against the animals be maintained. On a roll call vote only Armstrong and Werder voted to drop the matter. Leading the majority which favored permitting the animals was Councilman Floyd D. Granger.

Granger then moved that a repealing ordinance be introduced. Britschgi advocated the move if council would rule that city employes were to issue no new permits in the first residential areas and if City Mgr. E. W. Blom were instructed to enforce present health regulations stringently. In this way, he explained, persons now keeping animals in the area would not be legislated against, but the practice would gradually be discontinued.

As finally passed the motion:

1. Introduced the ordinance repealing present bans against animal keeping.
2. Ordered city employes to issue no new permits. When present holders of permits move or die their permits will lapse and within one generation the animals should be gone.

Parking Facilities Aired At S.C. Planners Meeting

That the San Carlos city council adopt an ordinance requiring adequate parking area before a building permit is granted was made as a formal request by the San Carlos Planning Commission meeting Monday at the city hall.

Debate concerned the report that a large food market had just been completed on Howard St. in the White Oaks section without any parking provision, and that a theater was contemplated in that area.

"Good parking" as the prime requisites of cities was argued by City Engineer Robert Klassen and Fred Drake. Drake pointed out that former Mayor A. H. Sagehorn had met with Fox West Coast officials and had insisted on the large parking space before the present Carlos Theater was built. The commission indicated they expected a "storm" in the council over this request but intimated everything "was tossed back" anyhow.

Parking was again discussed when R. C. Christiensen, builder of the new subdivision Warden Terrace asked that the East and West Laurel St. near the old Hull estate be zoned for business.

The planning commission made a move toward protesting the use of the Holly St. entrance to the Bayshore by the state for a clover leaf intersection. The group agreed that this money could better be used for an under or over pass north of Holly, possibly for the city of Belmont and San Carlos. A spokesman of the Holly St. Improvement Club said residents of that area would fight four lane traffic running into their residential street. The commission agreed to devote most of the next regular meeting to this problem.

City Attorney Anderson said that he was not in accord with the majority over the interpretation of Ordinance No. 163, relative to zoning and the master plan.

Present Monday night were J. H. Martin who presided, George Lagomarsino, R. T. Scott, Drake Anderson and Klassen. Councilman Truman Waterman, Gordon Eye, chairman, and Donald Lilly were absent.

July 4th Rodeo Judges Seek Prize Winner

A trophy won in the July 4 parade by a girl whom the judges did not identify remains unclaimed in the office of the Peninsula Celebration Assn., according to Secy.-Mgr. Kenneth L. Bowen. It is a second place award for decorated bicycles and was won by a "girl in a blue shirt" who rode near Robert DeVito, winner of first prize in that classification. The trophy may be obtained by the winner if she will call at the FCA office, Room 204, City Hall.

Two other trophies whose winners were not identified immediately after the parade have been awarded. One went to 3½-year-old Nancy Morra of 1414 Main St., who, dressed in a gay '90's costume, marched with her father, A. Morra. It won first prize in the unique class. The other was won by DeVito who lives at 2699 Spring St., Redwood City.

Carpet, Floor Furnace Fire Does $200 Damage

Firemen extinguished a carpet and floor furnace fire early Tuesday at 837 Vera Ave. Victoria Louda, home owner said she had placed a carpet over the furnace, forgetting that the pilot light was still connected.

Chief Joe Lodi estimated the damage at $200 today The alarm was turned in a 3:30 p. m.

The first statue of George Washington and the first public memorial of its kind in the United States was erected on the State Capitol lawn in Raleigh, N.C.

THE BUTCHERS' UNION SAYS 'NO MEAT FOR MR. AND MRS. SAN MATEO COUNTY'

Meat is now more plentiful than it has been in months. Yet San Mateo County is practically a meatless area. Why?

Members of the Butchers' Union are out of work. Each butcher could be earning $63.00 for working a five-day 40-hour week. These butchers and their families are taking this loss every week. Why?

Organized labor, which has brought about important gains for its members in wages, hours and working conditions is being brought into disrepute. Why?

The only conceivable answer to these questions is that a few head-strong leaders of the Butchers' Union for reasons of their own must demonstrate this power.

HERE ARE THE FACTS

Contracts now exist between the Union and the employers and do not expire until September 3, 1946.

In April 1946, the Union reopened these contracts to make proposals for amendments of the wages and hours provisions of the contracts.

The Union made three proposals:

1. That a five-day 40-hour work week be substituted in place of the existing six-day 49-hour work week. The employers are willing to accept this proposal.
2. That a wage scale of $63.00 for 40 hours be substituted for the existing wage scale of $63.00 for 49 hours. The employers are also willing to accept this proposal.
3. That all meat markets close down every Monday. The employers in the public's interest could not accept this proposal.

The Union then arbitrarily voted to strike, and when restrained from striking by the Courts, closed the meat markets by a subterfuge "boycott" device.

CONSIDER THESE POINTS

If meat markets were closed on Mondays, as demanded by the Union, there would be a number of serious results—not one of which would be beneficial to anyone.

1. Monday closing would not add one penny to the wages of the Union butchers.
2. Monday closing would not reduce the work week of the butchers one minute.
3. Monday closing would reduce employment of Union butchers.
4. Monday closing would deprive housewives of their right to be served all six business days of the week.
5. Monday closing would reduce consumption and result in loss to producers.
6. Monday closing of meat markets would inevitably result in demands for closing other businesses and ultimately bring about chaotic conditions through disrupting established business practices.

'Y' Completes Cage Court

Redwood City YMCA committeemen and secretary are shown on the recently completed "Y" basketball court in back of the "Y" building at Brewster Ave. and Clinton St. examining one of the basketballs for use on the court. Shown, left to right, are Phil Patten, chairman of the house committee; James A. Batchelor, secretary; Wilbur Doxsee, member of house committee, and the Rev. Charles Ward, "Y" committee chairman.

Car 'Hot,' But Not In Police Language

Police and firemen thought they had a doubly hot car Tuesday. At 5:10 a.m. firemen answered an alarm to Hess and Woodside Rds. to find wiring in an automobile on fire.

Since the car was abandoned, police believed for a few minutes it might have been stolen—and in their language "hot."

Uncertainty disappeared with the arrival of the owner, Burt C. Yeoman of San Francisco. Yeoman told police that it was his vehicle and that he had been driving. He said it had caught fire previously last night but that he had put it out himself, although neglecting to disconnect wiring. The connected wiring caused a second fire which firemen put out.

San Mateo to Purchase Municipal Golf Course

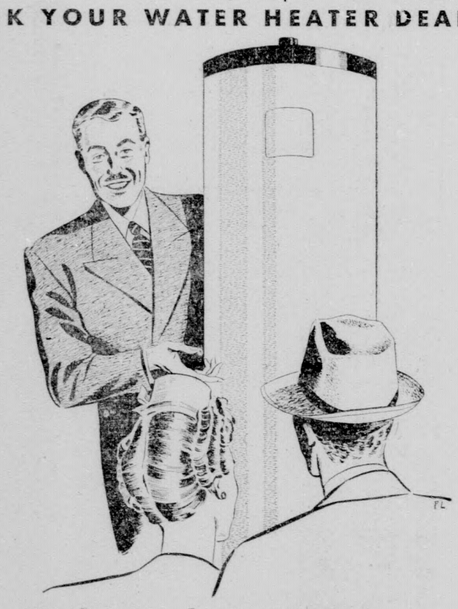
The San Mateo Municipal Golf Course will be purchased by the City of San Mateo for $160,000 and without the aid of Burlingame and the county.

Meeting Monday, the city council placed their stamp of approval on a plan that calls for the city to make a down payment of $35,000 and the balance in yearly installments of $25,000 each for the 110-acre tract near the Bayshore Hwy. The first payment is expected to be made during early August.

YMCA Building Open For Young Adults

Starting Tuesday the YMCA building on Brewster Ave. at Clinton St. will be set aside each Tuesday for young adults. The plan was announced last week at a monthly YMCA committee meet.

ASK YOUR WATER HEATER DEALER



He knows what's right for YOUR home

In today's living there is need for greater and greater use of hot water because modern homes have both showers and bathtubs. Modern washing machines, linoleum floors and white woodwork also call for plenty of hot water in housecleaning. Be wise, talk things over with your water heater dealer. No modern home with bathroom, laundry and kitchen can get adequate hot water service from a 20-gallon water heater. An inadequate heater cannot store up enough water for peak use, it becomes constantly overworked and wears itself out.

3 Minor Auto Crashes Occur on R.C. Streets

Three minor automobile accidents occurred on Redwood City streets Tuesday and early Wednesday.

At 12:01 a.m. Wednesday, police said, vehicles driven by Emil Heitzman, 36, 311 Iris t., and Ira E. Albee, 36, 100 Princeton Rd., Menlo Park collided on El Camino Real near Northumberland Ave. At 1:47 Tuesday vehicles driven by Lawrence J. Sifers, 21, 1263 Greenwood Dr., San Carlos, and Philip H. Wilson, 19, 534 NE 67th Ave., Portland, Ore., collided on El Camino Real at Jefferson Ave. At 7:27 p.m. automobiles driven by Henry H. Steffens, 52, 1440 Brewster Ave., and Carrie K. Wilson, 65, 904 Vera Ave, collided at Vera Ave. and Fulton St.

There were no injuries and but minor damage to vehicles.

Others bring total number of commuters on Peninsula to approximately 11,000.

OPA Aides Face Payless Week

Congressional delay in enacting a new OPA bill leaves Redwood City's OPA staff faced with the probability their pay checks will be halved this week.

A part of the pending OPA bill is the approval of appropriations for the fiscal year which began July 1. Until the legislation is passed, 34,000 OPA workers must wait for their checks for July and a crisis may arise if the agency is unable to hold its staff until funds are approved.

Scheduled to receive paychecks this week, 15,000 OPA field workers will be paid only for the last week of June, a period covered by last year's appropriation. Next week, if legislation is still unpassed, no money will be forthcoming.

According to members of the local office, no official word has been received since the first of July. At that time, they reported, assurance was given by the district headquarters that payments would be made on time.

Members of the local office staff said Tuesday they would "stick to the job," even if they are not paid immediately. They expressed confidence that some OPA legislation would be enacted.

Pvt. George Smith Enters Hospital School

Pvt. George W. Smith, son of Mrs. Porter Smith, 506 Dumbarton St., has reported to the Medical Department Enlisted Technician's School, Brooke Army Medical Center, Ft. Sam Houston, Tex.

He will pursue a surgical technician's course at the school, training which is designed to prepare the men for service in operating rooms, surgical wards, and company first aid stations.

Mail Delay Here Helps P.O. Aides

Delayed mails help postoffice employes—believe it or not. Tuesday because orders were slow reaching the Redwood City Post Office, the 42 employes there received their pay checks. Employes at other offices throughout the nation, however, were not paid when the Congress failed to pass a post office appropriation bill.

R. E. O'Connell Jr., postmaster, said the federal order holding the pay until congressional action is taken arrived Tuesday after July 15 checks had already been distributed.

Redwood City employes, however, are sweating out their next pay period which ends Aug. 2. If Congress doesn't move by then, they'll be payless.

The 42 draw approximately $10,000 monthly.

BOY SCOUT NEWS

Member of San Mateo County Community Chest

The "Home Front" summer program of activities is now in full swing, according to Don L. Barley, assistant scout executive of the San Mateo County Council, who is directing the program.

With Camp Pescadero attracting scouts for the second and final period of camp, a swim program for scouts remaining in town opened this week at the Sequoia High School plunge to start the activities. Tuesday evening was the first of a series of seminars on troop camping to be held in each district of the council.

In San Bruno, Cub Packs of the northern district are staging a round-robin series of baseball games as a feature of Friday evenings through July and August. On July 17 a series of first aid classes for leaders and scouts will begin at the scout office in Burlingame and will be held on subsequent Wednesdays for a six-week period.

A council directed hike will take a group on a 14 mile round trip to Searsville Lake from the branch office of the council in Redwood City.

July 25 will be a red-letter day for a group of 50 selected first class scouts who will leave at 5 in the morning for a trip to Camp Kit Carson in the High Sierra where they will spend 14 days hiking, fishing, exploring and swimming in Twin Lakes in the first of such pioneer camps to be held since the beginning of World War II.

"Cub Fun Days" will be the feature attraction for the Cub Scouts in August. These affairs, highlighting outdoor track and field events, will be held in Redwood City, Burlingame and San Bruno on Aug. 15, 22 and 29.

The fine points of map making will be given to scouts in all districts of the council as classes convene on Aug. 8 in South San Francisco; on Aug. 14 in Burlingame and on Aug. 20 in Redwood City.

A regional Sea Scout regatta has also been set for Aug. 31 to Sept. 3 at Alameda. Over 100 Sea Scouts of the S.M. County council are planning to take part.

A scout swimming meet and the annual Council Round-up will open operations for all troops, packs, ships, squadrons and posts early in September, it was said.

The summer program, as well as all council sponsored activities are made possible through the cooperation and support of the various Community Chest organizations throughout the county, it was pointed out by scout leaders.

PUBLIC NOTICE

Harold Huovinen, Atty.

NOTICE OF SALE OF REAL PROPERTY—No. 946/3—Dept.4

IN THE SUPERIOR COURT OF The State of California, in and for the County of Alameda.

In the Matter of the Estate of Margaret J. Hennings ,also known as Margaret Joan Hennings, and as Margaret Hennings, Deceased.

Notice Is Hereby Given that the undersigned, Administrator with the will annexed of the estate of the above named deceased, will sell at private sale to the highest bidder, subject to confirmation by said Superior Court on Tuesday, the 30th day of July, 1946, at the hour of ten o'clock a.m., or after said day, upon the terms and conditions hereinafter stated, all the right, title, interest and estate of said Margaret J. Hennings, also known as Margaret Joan Hennings and as Margaret Hennings, deceased, at the time of her death and all the right, title and interest that the said estate has, by operation of law or otherwise, acquired other than or in addition to that of the said Margaret J. Jennings, alias, deceased, at the time of her death in and to that certain real property situate, lying and being in the Town of Redwood City, County of San Mateo, State of California, particularly described as follows:

The Southerly ½ of Lots 1 and 2 in Block 11 of Range "B" as designated on the map entitled "Town of Mezesville," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on August 1, 1856, in Volume 1 of Maps, at page 79, more particularly described as being:

All that portion of said Lots 1 and 2 in said Block 11, lying southeasterly of a line drawn at right angles to the easterly line of Arguello Street, at a point which divides the southwesterly line of said lot into two equal parts.

Bids and offers are invited for said property and must be in writing, and will be received at the law offices of Harold Huovinen, 1105 Easton Building, Oakland 12, California, attorney for the Administrator with the will annexed of said estate, or may be filed with the clerk of the said Superior Court of the State of California, in and for the County of Alameda, or delivered to the said Administrator with the will annexed personally at any time after the first publication of this notice and before the making of said sale.

Terms and conditions of sale: Cash, lawful money of the United States; ten (10%) per cent of the purchase price to accompany the bid in cash, and the balance paid upon confirmation of sale by said court.

DATED: July 3, 1946.

Harold John Hennings, Administrator with the Will Annexed of the Estate of Margaret J. Hennings, alias, deceased.

July 12, 19, 26, 1946.

IN THE SUPERIOR COURT OF the State of California, in and for the City and County of San Francisco.

In the Matter of the Estate of Mary A. Crowley, also known as Mary Crowley, Deceased.

Notice Is Hereby Given that the undersigned, Eldon T. Peterson, Executor of the Last Will and Testament of Mary A. Crowley, alias, deceased, will sell at private sale to the highest bidder, upon the terms and conditions hereinafter mentioned and subject to confirmation by said Superior Court, on or after the 30th day of July, 1946, all the right, title, interest and estate of said Mary A. Crowley, alias, deceased, at the time of her death, in an to the real and personal property hereinafter described, and all the right, title and interest that the said estate has, by operation of law or otherwise acquired, other than or in addition to that of said deceased at the time of her death, of, in and to that certain lot, piece or parcel of land situate, lying and being in the County of San Mateo, State of California, described as follows:

Lots numbered thirty (30), thirty-one (31) and thrity-two (32) in Block numbered ten (10) as shown on that certain map entitled "Map No. 3, Oakleigh Park Tract, San Mateo County, California," filed in the office of the County Recorder of San Mateo County October 8, 1912, in Book 8 of Maps at page 29. (Improved with a frame dwelling commonly designated as 417 Hamilton Avenue, Atherton, Calif.)

and in and to the following personal property, to-wit:

Certain household furniture and furnishings now located at the above described premises, inventory of which may be inspected at the office of the below named attorney. Said real and personal property to be sold as a unit and under one bid.

Terms and Conditions of Sale: Cash in lawful money of the United Statec of America, payable as follows:

Ten per cent (10%) of the total purchase price to be paid at the time of acceptance of bid, and the balance on confirmation of sale by the Superior Court; deed and instruments and search of title at expense of purchaser; taxes for the curent fiscal year and rents and insurance to be prorated, as of the date of delivery of the deed; real property to be sold subject to all liens, assessments and encumbrances.

All bids and offers must be made in writing and may be left at the office of P. Paul Vlautin Jr., Attorney for Executor, Room 712, 111 Sutter Street, San Francisco, California, or filed in the office of the Clerk of said Court, in the City and County of San Francisco, State of California, any time after the first publication of this notice and before the making of said sale.

DATED: July 3, 1946.

Eldon T. Peterson, Executor of the Last Will and Testament of Mary A. Crowley, alias, deceased.

P. Paul Vlautin Jr., 111 Sutter St., San Francisco, Calif., Attorney for Executor.

July 12, 19, 26, 1946.

Shortages are holding him back

We in the Bell System were adding telephones at the rate of three million a year until shortages started getting worse. Now it's harder and harder for us to get materials for manufacturing and building.

We aren't complaining for we are in the same boat as every one else. But we thought you might like to know the supply situation on some of the biggest items in the telephone business.

LEAD—There is a world shortage of lead. Even when conditions here straighten out, it will be some time before adequate supplies are available.

COPPER — In great demand but we will probably have adequate supplies when the smelting, refining and fabricating plants get going.

TEXTILES — Serious shortage of cotton and synthetic yarns and fabrics, with demand greatly exceeding supply.

STEEL — Steel and coal strikes have affected supply in face of unprecedented demand.

RUBBER — Synthetics are in fair supply but natural rubber is on Government allocation.

LUMBER — Scarce supply due to unprecedented demand and dislocation of lumber trade.

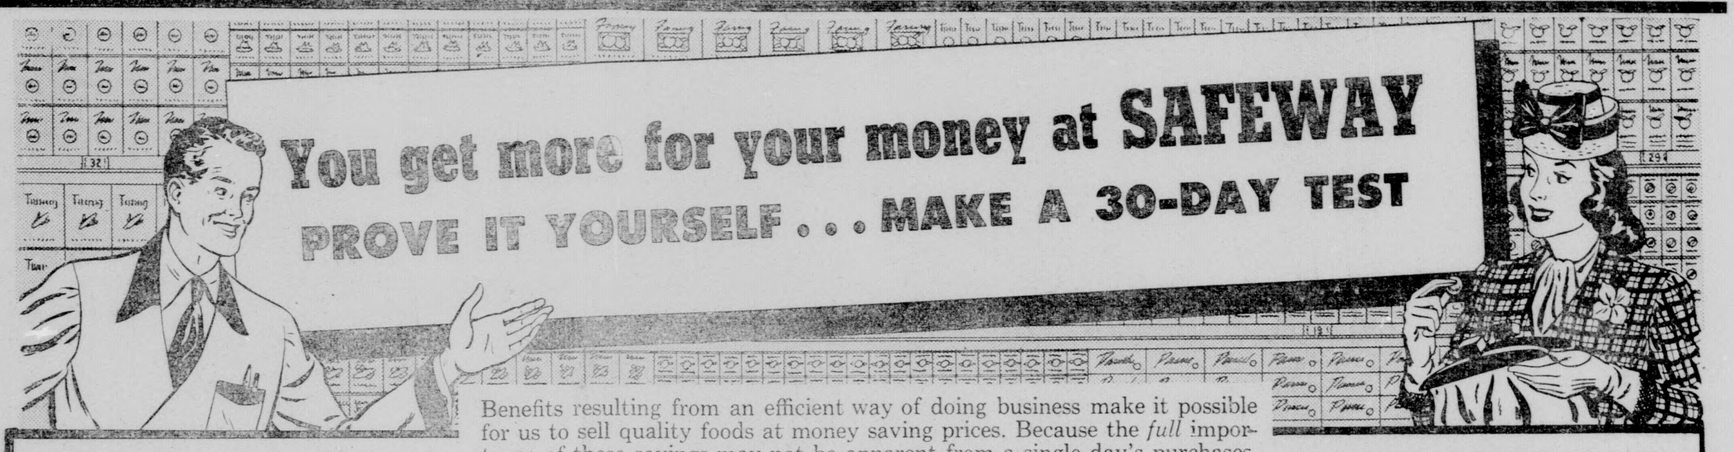
BRASS MILL PRODUCTS — Used in Central Office switches and other telephone equipment. Supply will be short until disturbed conditions are settled in the copper industry, permitting brass mills to get back to full-scale production.

It's a tough situation, but we aren't giving up, any more than you have given up trying to get butter or sugar or shirts.

We're doing the best we can with what we've got and hoping these disturbed conditions will end so we can really go full speed ahead.

The Pacific Telephone and Telegraph Company

ALL SAFEWAY GROCERY DEPARTMENTS ARE OPEN For Business in All Peninsula and San Francisco Locations



Prices in this Ad are effective Thursday, Friday and Saturday, July 18-19-20, in San Francisco, Oakland, Alameda, Berkeley, Hayward, Richmond and other cities and towns in San Mateo and Contra Costa Counties, unless changes are required as a result of new OPA regulations.

Benefits resulting from an efficient way of doing business make it possible for us to sell quality foods at money saving prices. Because the *full* importance of these savings may not be apparent from a single day's purchases, we ask you to make the famous 30-day test: Buy *all* your food at Safeway for one month. Get quality foods—brands you know and like. Then compare total costs with those for a previous month. We believe you'll find Safeway savings really worthwhile.
